Cinto

"Cinto" Diseñada por Santiago Sevillano para Mantra.
Cinto es un juego de contrastes formales entre la linealidad de la luz y la curvatura de sus uniones metálicas que le otorgan un carácter elegante y atemporal ideal para decorar cualquier ambiente sin perder su funcionalidad como elemento de iluminación gracias a la cuidada disposición de las fuentes de luz led.

"Cinto" has been designed by Santiago Sevillano for Mantra.
Cinto is a set of contrasts between the linearity of light and its arch of metallic joints ,which deliver an elegant and timeless character . It is ideal to decorate any atmosphere, without losing its functionality as a lighting fixture ,thanks to the careful arrangement of LED illumination.
